DIRECTOR OF CHILD & FAMILY SERVICES

Reporting to the Chief Executive Officer, the Director of CFS will be responsible for the overall management of the Child & Family Services that provides Intervention Services, Family Enhancement and Foster Care to three member First Nations. A competitive salary and benefits package is offered.

The candidate will possess a Masters or Bachelor of Social Work Degree or related experience with a minimum of five years experience working with a First Nation organization and must be registered with the College of Social Workers; experience in negotiating and working with government agencies; managing a budget and reporting to the CEO and the Board of Directors; work collaboratively with partnering ministries and community resources; reporting to funding agencies as required; provide leadership and support on planning, development and implementation of Related Acts, Regulations and Policies.

Additional Requirements:

- Knowledge of DFNA Agreements and AANDC Policies and Procedures.
- Provide a clear Criminal Record and Child Intervention checks with resume.
- Possess a valid Driver's license.
- Knowledge of the language and cultures of the NPTC member First Nations will be a definite asset.

Send a resume including three references to:
